ENVIRONMENTAL POLICY STATEMENT

‘More than just a matter of compliance’

Here at John Weaver we fully understand that our operations impact upon the environment and that protecting the environment is one of the most important challenges we face today. Therefore, we will:

- 1 Organise those operations to ensure that the effect they have on the environment is minimised.
- 2 Reduce the consumption of energy and materials where possible and reuse or recycle unwanted items.
- 3 Understand and comply with all relevant legislation, creating a list of regulations that is periodically reviewed.
- 4 Protect the local and wider communities from pollution or nuisance as a result of our operations.
- 5 Monitor and reduce the waste streams generated by our business.
- 6 Measure and strive to continually improve and reduce the environmental impact caused by our operations and to ensure no form of pollution is caused.
- 7 Provide training for all parties within the organisation to recognise their environmental responsibilities and the benefits available to everyone by implementing sound environmental practices.
- 8 Display and communicate our policy and make it available to interested third parties.
- 9 Establish and implement environmental management systems to satisfy the requirements of BS EN ISO 14001.
- 10 Set environmental objectives and targets which will be reviewed on a regular basis along with the policy and other elements of the environmental management system as required.

COMPANY HEALTH & SAFETY MANUAL

JOHN WEAVER (CONTRACTORS) LTD

ENVIRONMENTAL POLICY STATEMENT

1 Introduction

- 1.1 This Statement sets out the policy of John Weaver (Contractors) Ltd (The Company) in respect of our general work activities and those of any employee, self-employed person and contractor under our control whose acts or omissions may have an adverse effect on the environment. Its intention is to assist in protecting the environment as a whole, as well as our personnel whilst at work. In addition, if the Policy is adhered to, it will assist the Company in fulfilling its legal and moral obligations.
- 1.2 In addition to the groups of persons mentioned above, this Policy is also intended to assist in ensuring that all Clients and other persons who may come into contact with this Company or its premises or its activities (whether or not work-related) are not adversely affected with regard to environmental matters.
- 1.3 Provided that persons referred to in 1.1 above adhere to the provisions and precautions contained within this policy, they will normally be able to work safely and without undue risk to the environment or their health. They will also be considered to have demonstrated compliance with their conditions of employment or contract insofar as they refer to environmental issues.
- 1.4 All persons referred to in 1.1 above are to be made aware of the contents of this Policy and become familiar with the conditions and precautions laid down. A copy of this Policy will be available at our offices during normal working hours.

2 Definitions

- 2.1 In this Policy, the expression 'at work' means whenever and wherever work takes place and may include travel for work (for instance travel between premises, to and from meetings, etc). It does not include journeys between home and work.
- 2.2 The term 'legal obligations' refers to the statutory duties laid down principally in the Acts of Parliament listed in 3.2 below, but also in supporting legislation brought under the Acts from time to time.

3 Policy

- 3.1 The Company will take all reasonable measures to ensure that those persons referred to in 1.1 above are made aware of the contents of this Policy, the possible effects upon their personal health & safety and the possible environmental consequences in the event of any breach of this Policy.

ENVIRONMENTAL POLICY STATEMENT

- 3.2 The Company recognises its obligations under the following Acts of Parliament and all Regulations and Orders brought under those Acts:-
- Health and Safety at Work etc Act 1974
 - Environmental Protection Act 1990
 - Environment Act 1995
- 3.3 All employees of the Company will at all times be expected to exercise diligence in ensuring that this Policy is adhered to. Responsibilities of individuals are determined by their grade of employment as detailed elsewhere in Company documentation.
- 3.4 The following specific steps will be taken by the Company to minimise the effect of their operations on the local, regional and global environment:-
- 3.4.1 We will ensure that all staff are trained in our environmental management policy and given guidance in its implementation.
- 3.4.2 We will endeavour to make continuous improvements in environmental performance and the prevention of pollution.
- 3.4.3 Current environmental regulations, laws and code of practice will be regarded as setting the minimum standards of environmental performance to be achieved.
- 3.4.4 We will implement measures to reduce emissions into the atmosphere from our vehicles by minimising the use of vehicles for purposes for work where possible. We will also ensure that regular maintenance and repairs are carried out to ensure that vehicles are able to operate at maximum efficiency.
- 3.4.5 We will encourage employees to be more environmentally aware, (including when outside of normal working hours), giving encouragement to the use of environmentally friendly modes of transport.
- 3.4.6 Waste and arisings will be disposed of in a responsible manner, ensuring that we always comply with the applicable and current Regulations and Codes of Practice. Any services used for the storage or disposal of waste will be checked to ensure that appropriate licences are held.
- 3.4.7 We will try, where possible, to use suppliers who are willing to take away packaging for re-use or recycling.
- 3.4.8 We will consider the environmental impact of any purchases made.

ENVIRONMENTAL POLICY STATEMENT

- 3.4.9 We will try to reduce the energy and water consumption of the business and minimise carbon dioxide emissions. We will invest in the improved energy efficiency of products we use and investigate environmentally safe and sustainable energy sources.
- 3.4.10 We will ensure that, so far as is reasonably practicable, dust, noise and fumes do not cause a nuisance to the community surrounding the place of business or site on which we are working.
- 3.4.11 We will try to reduce waste production and carry out recycling as much as possible.
- 3.4.12 Our office staff will use paper and other products sensibly and consider measures to re-use and recycle waste paper. The increased use of electronic communication will reduce the need for paper use.
- 3.4.13 We will, wherever practicable, only use subcontractors and suppliers who comply with the requirements of our environmental management policy.
- 3.4.14 We will assist subcontractors and suppliers with their duties and responsibilities under environmental legislation, where it is possible and practicable.

4 Supporting Documentation

- 4.1 Additional information has been prepared in order to assist in adhering to this Policy. Reference should therefore be made to the following groups of documents:-
- a) **Documents Directly Associated With This Policy**
These comprise the allocation of responsibilities within the Company and the general arrangements for implementing the Policy.
 - b) **Health, Safety & Environmental Information**
Information about matters such as noise at work, methods for containing spills, emission controls, etc. This may be specifically prepared by the Company or consist of publications and advice from appropriate bodies (eg Environmental Agency and/or Health & Safety Executive).
 - c) **Forms and Miscellaneous Items**
Standard forms are used for various aspects of environmental management.
